SIMPSON COLLEGE

DEPARTMENT OF EDUCATION

The information regarding course offerings includes suggestions on how to progress through a possible major beginning with the first semester. Please understand that majors and course offerings can be dynamic due to curriculum changes and other variances. Although this information attempts to provide a sample plan of study, please review the information found within the General Catalog and visit with your academic advisor to discuss current offerings.

ELEMENTARY EDUCATION

Please note that students will need to complete an endorsement area along with the Elementary Education major. This sequence represents a typical path for a student who begins in the Teacher Education program in their first year at Simpson. Meet with your Education advisor early in your program to create a plan which outlines a likely schedule of courses.
