Student Accounts

Before the beginning of each term, the Business Office will send each student an estimated bill showing the total charges for the term and the financial aid expected to be credited to the student account for the term. The estimated bill will be mailed on July 17 for the fall term and on December 1 for the spring term. Fall term balances are due to be paid by August 14, 2015 and spring term balances are due to be paid by January 8, 2016.

For parents or students who wish to pay their account by credit card, the College accepts MasterCard, American Express, and Discover. In addition, students may access their account online through StormFront and make secure payments by ACH or credit card. A convenience fee on credit card payments will apply. There is no charge for ACH payments.

If an account is not paid in full by the due date, the College regards the account as delinquent unless satisfactory financial arrangements have been made with the Business Office.

Students with accounts considered delinquent are not entitled to future registration, room, board or issuance of transcripts.

Finance charges are assessed at a daily rate of 0.05% (18% A.P.R.) on the unpaid balance. Finance charges are calculated at the end of the month and added to the student’s account.

Books are sold at the Simpson College Bookstore and may be purchased by cash, check or credit card (MasterCard, Visa, American Express or Discover). Students should be prepared to pay approximately $1,188 each year for books.

Monthly Payment Plan

The College offers a monthly payment plan for those who prefer to budget the annual cost of tuition, room, board and fees in monthly installments.

The Tuition Payment Plan is administered by a third party payment plan administrator and provides a way to pay educational expenses through manageable monthly installments. The Tuition Payment Plan may be tailored to cover all or part of the financial obligations for the academic year. The Tuition Payment Plan is not a loan. Thus, there are no interest charges. The only cost is an annual nonrefundable participation fee of $55 for the year. With the Tuition Payment Plan, monthly installments can be automatically deducted from a designated checking account or charged to a credit card. This eliminates the worry of remembering to make payments each month and avoids the assessment of late fees by the payment plan administrator. Of course, monthly installments may be billed directly. Prepayments may occur at any time without penalty.

Questions regarding the Tuition Payment Plan may be directed to the Business Office. To enroll in the Tuition Payment Plan, visit simpson.edu/business-office/tuition-pay-plan/

Credit Balances

Federal regulations require credit balances created by Title IV funds to be refunded to the student within 14 days. Students who want credit balances retained by Simpson College for the academic year must give written authorization to the Business Office.

Matriculation Fee and Deposit

Upon acceptance, all full-time students must pay $200 which covers the $100 matriculation fee and $100 enrollment deposit. This deposit is not refundable after May 1, 2015.

The $100 enrollment deposit, however, may be refunded when enrollment terminates and all financial obligations to the College have been satisfied.

Board Plans

All full-time residential students must have a board plan.

Full meal plan options (all per semester):
- 200 blocks and $75 flex dollars
- 150 blocks and $275 flex dollars
- 20 meal per week board plan. Unused meals are lost at the end of every week, and the plan does not include flex dollars.

Part meal plan:
- 100 blocks and $250 flex dollars (only available for commuters, apartment and theme house residents).

Greek meal plan:
- 150 blocks and $275 flex dollars, with five blocks per week served at the house. If a house chooses to participate in this meal plan, it is required for all live-in members.

Flex money left over at the end of the first semester will roll over to the second semester. Unused blocks will not roll over between semesters.

Students may change their board plans during the first four weeks of the semester. Meal charges will be pro-rated to reflect the change. Flex dollars will also be pro-rated.

Tax Benefits

There are tax benefits available to help reduce the financial impact of higher education. For more information, please consult your tax advisor.

Tuition Refunds and Financial Assistance Returns

Dropping Classes / Change in Enrollment Status: A reduction of credit hour enrollment within the add/drop period of the traditional semester may occur without tuition penalty. Tuition charges and financial aid packages will therefore reflect the student’s enrollment at the end of the add/drop period. After the add/drop period has expired, a change from full-time to part-time status or a reduction in credit hour enrollment, other than a complete withdrawal, will not change tuition charges or financial aid. For example, a student enrolled full-time will receive no tuition adjustment if he or she drops below full-time enrollment after the add/drop period of the traditional semester. Tuition adjustments for increased enrollment continue throughout the term.

Complete Withdrawal: A student interested in withdrawing from Simpson College should file a withdrawal form in the Office of the Dean of Students, and make an appointment with the Office of Financial Assistance.

Simpson College engages faculty and staff members in advance for a full academic year. Many other expenses for maintaining the College are likewise commitments of one or more years into the future. Therefore, a student who withdraws does not reduce materially the costs of operating the College.

A student who withdraws before the 60% point in time in the term will receive a refund in tuition, room, board and fees. The amount of the refund is based upon the percentage of the term that has not been completed. Financial aid will be refunded to federal, state and Simpson programs based on the same percentage. Stated simply, a student who withdraws after completing 20% of the term will be charged 20% of the applicable tuition, room, board and fees, and would retain 20% of their financial aid. If funds have been released to the student because of a credit balance on the student’s account, the student may be required to repay a portion of the federal grant released to the student. Examples of the application of the refund policy are available upon request in the Office of Financial Assistance.

After the 60% point in the term, no refund will be granted nor will financial aid be reduced. The portion of the term completed is based on calendar days from the first day of the term through the last scheduled day of finals, including weekends and breaks that are fewer than 5 days in length.

Students who do not go through the “official” withdrawal process (i.e., leave campus without filing withdrawal papers) will be deemed to have attended through the mid-point in the term, unless the last date of attendance can be documented, and will have their charges and financial aid adjusted accordingly.

This policy is subject to federal regulations. Contact the Office of Financial Assistance for details and to learn of any changes to this policy.
Other Refunds

Room Refunds: Refunds on rooms may be given in the case of a student who, due to illness or other imperative reasons, officially withdraws from the College. No room is refunded after the 60% point in the term.

Board Refunds: Board cancellations are effective one day after notifying the Office of Student Development. Board charges are refunded on a pro-rata basis. No refunds will be issued for unused Flex dollars at any time. No board is refunded after the 60% point in the term.

May Term Travel Course Refunds: Students are responsible for all direct costs incurred by the College after the payment of the non-refundable application fee. To the extent possible, course instructors and Simpson College will attempt to secure a partial refund for students who withdraw from the program at least 90 days prior to departure and provide written notice of such to the International Education Coordinator. The partial refund to the student will be calculated by Simpson College on an individual student basis and will amount to a maximum of 50% of the direct costs incurred by the College that are recoverable. Within 90 days of the program’s departure, no refund will be calculated or due.

In case of hardship or unforeseen circumstances, the student may appeal the refund calculated per above by providing written notice of appeal to the International Education Coordinator. The appeal will be reviewed by a committee. All decisions made by the appeals committee are final.

If the May Term travel course is cancelled by the College due to uncontrollable circumstances such as acts of war, health risks in the host country, U.S. State Department warnings, or any other reason, the College cannot guarantee, but will attempt to secure a partial refund.
