Changing OWA (Outlook Web Access) 2010 out of conversation view.

Find the Drop down next to Conversation by Date and click on it.
As you can see the Conversation button is checked by default, unchecking this box will remove the grouping of email messages by conversation and will order them simply by date received.
Turning on the reading pane in OWA (Outlook Web Access) 2010

To turn on the reading pane click on view and you will see the choices listed below. The reading pane is set to off by default.
Example view when reading pane is turned on and set to the right.
Example view when reading pane is turned on and set to the bottom.

See how Office Web Apps compare to Google Docs.
