1:00-1:30 p.m.  **Meet your SC Instructor**
Now that you’ve met your SC leader, it’s time to meet your SC instructor. This conversation will provide you and your instructor an opportunity to get to know one another prior to choosing fall classes. You'll also hear more details about your SC course and the curriculum at Simpson College.

1:30-2:00 p.m.  **Departmental Q & A**
Each department will have a table where you can learn more about that department’s majors and possible courses to take during your first semester at Simpson. Your SC 101 instructors are from majors across campus, so this time will give you a chance to meet professors in majors of interest and ask questions about them. If you are still exploring or don’t have a major in mind, there is a table which supports undecided students.

2:00-3:15 p.m.  **Student Academic Advising & Registration**
It’s time to explore and select your fall classes! You will participate in academic advising with your SC instructor and SC Leader. By the end of this time, you will be registered with a fall schedule in place.

3:15-3:45 p.m.  **Ice Cream Social and Small Group Discussions**
End your day with a treat and meet students from other SC courses. During your time together, you'll have the opportunity to ask any questions you have about transitioning to Simpson in the fall.

3:45 p.m.  **Check-out**
Time to meet back up with your guests! If you still need to have your student ID photo taken, please stop by the information desk. Campus offices are also open until 4:30 pm for any remaining business.
