DEPARTMENT OF EDUCATION

The information regarding course offerings includes suggestions on how to progress through a possible major beginning with the first semester. Please understand that majors and course offerings can be dynamic due to curriculum changes and other variances. Although this information attempts to provide a sample plan of study, please review the information found within the General Catalog and visit with your academic advisor to discuss current offerings.

SECONDARY EDUCATION minor

There is a lot of flexibility for students to schedule classes for the secondary education minor. This sequence represents a typical path for a student who begins in the Teacher Education Program in their first year at Simpson. There are a variety of scheduling options available to students. Meet with your Education advisor early in your program to create a plan which outlines a likely schedule for your courses.
