**Old Business:**

**Treasurer Position:**

Ethan Fredrick: I move to take the Treasurer amendment off the table.

Vote to bring from the table:

Ethan Fredrick: These amendments put together will remove all mentions of the treasurer position from the constitution and bylaws. That would be dealt with by the sole chairperson of the financial advisory committee who would be chosen by merit instead of randomly by year.

Vote: Passed

**New Business:****The Acorn Budget Request:**

Jessalyn Holdcraft: I move to allocate \$1,150 to The Acorn. This is the satirical newspaper started by our very own, Robert Lyons. This is for costs next semester related with PR and other things.

Vote: Passed

**General Discussion:****Internet Bandwidth Resolution:**

Alex Severn: We made some changes to the resolution. We are not binding this to any budget request. It is just trying to build a relationship between Information Services and SGA. The resolution is structuring a communication system that information services is going to work with the student affairs committee on the technology fee to make a recommendation that will be brought to the larger senate for approval. It also specifies that ITS and student affairs needs to make a one and three year plan for in the future.

Vote: Passed

**Presidential Youth Council:**

Alex Severn: Hannah Armentrout is in charge of putting out a letter to the board of education to support a presidential youth council. They are asking for approval to put our name on the petition saying that we think it is important that students are more involved in this council.

Jessalyn Holdcraft: When she says "Our Signature," does she mean Simpson College or Simpson College SGA.

Alex Severn: She was initially looking for my name. If you vote yes, I will include that I have the support of SGA.

Vote: Passed
