MOTOR VEHICLE REGISTRATION and PARKING

Welcome to Simpson College. This pamphlet is designed to answer all of your questions pertaining to parking a vehicle on Simpson College property.

Many students, faculty, staff and visitors use our parking lots. All of the parking lots on campus are monitored 24 hours a day. Any car parked in a lot must display a hang tag or a sticker valid for that lot. Vehicles not displaying valid permits should be parked on the streets. Parking issues and concerns are handled at the Office of Security located at 701 North C street. The office also has replacement permits and temporary parking tags. You do not need to register a vehicle if you wish to park your vehicle on the city streets. Parking registration is accessible through the StormFront portal.

STUDENTS

The fee to register a vehicle is $100 a year. Students must re-register their vehicle each year. You will be given a colored decal based on where you live on campus and your class status. This decal is to be attached to the rear window of the vehicle on the left-hand corner (driver's side). If your rear window is tinted, please attach the decal to the front windshield in the lower corner of the driver's side. If your decal is in the wrong location it may not be seen, especially in the winter. Parking decals are non-transferable.

COMMUTERS

We encourage you to use the available street parking. Commuters who register their vehicle may park in the following lots: McBride/Baseball, Municipal Pool, Blank/Pote, and Kent.

FACULTY and STAFF

You will be given a hangtag at no cost. Please hang the tag on your rearview mirror with the number facing out. You may park in any lot. Do not park in the Admissions/Visitor spots or on the curb. When driving a different vehicle please transfer your hangtag. Student relatives of faculty and staff will be expected to register their own vehicles. They may not use faculty hangtags.

PARENTS and VISITORS

When parents or visitors come to campus they are required to have a guest pass in order to park. Passes are available in the Office of Security. Please advise anyone driving your car where your vehicle should be parked. You will be responsible for any tickets the car receives.

There are four spaces reserved for Admissions/Visitors in McNeill/Hillman. Faculty/staff/students are not to use these spaces.

TEMPORARY TAGS

The Office of Security has temporary tags. These are free and need to be used when you bring a nonregistered car to campus for a short time. (For example, you switch vehicles with your parents.)

FINES

If you receive a parking ticket you will be charged as follows:

• $15 per ticket for registered vehicles
• $30 per ticket for unregistered vehicles
• A $50 charge will be added to the student's account for anyone accumulating more than 10 tickets in an academic year.
• A $100 charge will be added to the student's account for anyone accumulating more than 15 tickets in an academic year.

You may use the spaces marked service areas near your residence hall to load/unload your vehicle. Put your flashers on and you will not be ticketed. Do not use the handicapped spaces for this purpose. Do not park at any curbs to "run in to a building for just five minutes." This is not an acceptable reason and you will be ticketed. Please be considerate of others when parking your vehicle.

A FINAL NOTE

Security can be reached 24 hours a day by calling 961-1711 from off campus or ext. 1711 from on campus. There are limited numbers of parking spaces on campus. Please be flexible. Be prepared to walk. The campus is small and every building is within a 5 minute walk. Plan your time accordingly.

APPEALS and LATE FEES

You may appeal any ticket you receive. You have up to 10 days from the date of the ticket to make your appeal. All appeals must be in writing. Forms are available in the Office of Security. A student committee will read your appeal. If you have not paid your parking ticket violation within 10 days from the date the ticket was issued a late fee of $5 will be added.
