Simpson College Equivalency Guide for
Iowa Lakes Community College

Simpson College's Curriculum
Simpson's curriculum is designed to provide students with the skills and expertise valued most by employers as well as preparing them effectively for success in graduate school and their communities.

Students who have **completed** their **Associate of Arts degree** at ILCC prior to transfer will **fulfill** all of Simpson's Engaged Citizenship Curriculum (all **general education** requirements) before transferring to Simpson. This gives the flexibility to jump right in to the major and take full advantage of the Simpson experience including research, internships, and more.

How to read this guide:
This guide is designed to give ILCC advisors, counselors, and students a reference to identify how courses will transfer to Simpson and also how they fulfill general education requirements at Simpson.

Course equivalencies are listed one of three ways:
1) If the course transfers directly, the course number will be listed in the 'Simpson
    equivalency' column.
2) If a department and '#' (i.e. ART #) is listed in the column, this indicates the course will
    transfer as department credit, not course credit. This is important to note when
    using courses for pre-requisites.
3) If 'VoTec #' is listed in the column, it will transfer as elective credit. A maximum of 16
    Vocational Technical credits will transfer.

General Education Designations (for planning if student transfers prior to the completion of an AA degree)

There are 7 categories of Areas of Engagement and 7 categories of Embedded Skills in the curriculum. Several ILCC classes qualify for each designation, therefore students have flexibility to choose courses which closely align with their interests:

Areas of Engagement		Embedded Skills	
The Arts	(AR)	Collaborative Leadership	(CL)
Civic Engagement	(CE)	Critical Thinking	(CT)
Diversity and Power in the US	(DP)	Information Literacy	(IL)
Ethics and Values Inquiry	(EV)	Intercultural Communication	(IC)
Global Perspectives	(GP)	Oral Communication	(OC)
Historical Persp Wstrn Culture	(HP)	Quantitative Reasoning	(QR)
Scientific Reasoning	(SR)	Written Communication	(WC)

What should an ILCC student consider while transfer planning?
ILCC students planning to transfer to Simpson with more than 36 credits, but less than an Associate of Arts degree, should focus on the following coursework while at ILCC:
1) Pre-requisites to their Simpson major and courses in their major. Please refer to the
    website, transfer guide, or Simpson advisor for information on each major.
2) One course in each of the 7 Areas of Engagement and 7 Embedded Skills of the curriculum
    (more courses may be required in each area if students transfer in less than 36
    credits.) **Many of the areas/skills will be met in the coursework in their major
    at Simpson** but some may need to be met outside of their major.

Questions?
Full-time Enrollment: Contact Simpson College's **Director of Transfer Enrollment** at 515-961-1624 or admiss@simpson.edu.

Part-time Enrollment: Contact Simpson College's Continuing and Graduate Advisor at 515-309-3099 or adultslearn@simpson.edu
