

A group of five graduates, three women and two men, are standing on a green lawn in front of a large, multi-story brick building with many windows. They are all wearing black graduation gowns and caps. The graduates are smiling and raising their hands in celebration. Two of the graduates are holding their caps high in the air. The woman on the far left is wearing a blue and white sash with three white triangles. The woman in the center is wearing a red and yellow sash with a gold medal. The man in the center is wearing a blue shirt and a red tie. The man on the far right is wearing a white shirt and a black tie. The woman on the far right is wearing a red and yellow sash with a gold medal. The background shows a clear blue sky and some bare trees.

Outcomes

The Simpson College Office of Career Development collects the first-destination information of students within six months of graduation. The report for the class of 2022 includes students who graduated between July 1, 2021 and June 30, 2022. Simpson College Career Development surveys students prior to graduation, and if an outcome is not yet established, follows up by phone and email. The team also secures information from campus community members, social media sites and company directories in an effort to gain the highest possible knowledge rate.
