SIMPSON COLLEGE
ACADEMIC PROGRAM IMPROVEMENT COMMITTEE (APIC)

Schedule of Program Reviews

FALL 2025 – SPRING 2026

HLC Accreditation Visit

*The Department of Teacher Education will use their “Simpson College Institutional Report” which is completed every five years for state re-accreditation as a substitute for submitting the APIC report that is required every six years. They also plan to use the accreditor team report in lieu of the external reviewers’ report. APIC members will meet with the accreditation team, and faculty in the Department of Teacher Education will meet with APIC as well.
