

# EXPLORE IRELAND

## JOIN US DURING MAY TERM 2024

### *Revolutions, Rebellions, and Reunification?*

Throughout May Term, we will explore the complicated history of the Republic of Ireland and Northern Ireland via visits to major historical and contemporary sites throughout the island, such as Leinster House in Dublin, Crumlin Road Gaol in Belfast, and the Museum of Free Derry. We'll also explore the even more contentious politics of the Seven Kingdoms from Game of Thrones with visits to filming sites such as the Dark Hedges (Kingsroad), Dunluce Castle (House Greyjoy), and Downhill Strand (Dragonstone Temple). This course will take us on a road trip around the island visiting sites and cities, big and small, allowing you to explore it all including the beautiful, natural offerings such as Giant's Causeway, the Cliffs of Moher, and the Blarney Stone with some castles thrown in as well. By way of a cultural reflection, photography project, and pre-trip research assignment, you will gain a greater understanding of Ireland and much of what it has to offer. Join us for two weeks in the Emerald Isle...and find out why it's called that firsthand!

### *Faculty Leaders*

Professor Adrienne Gathman (Political Science)  
Professor Amanda Martens (Psychological Sciences)

### CONTACT & APPLICATION INFO

Contact with questions:  
[adrienne.gathman@simpson.edu](mailto:adrienne.gathman@simpson.edu)

Cost: \$3,675 + budget for lunches and dinners

Flight: ~\$1,100

Application due October 18:
