### Monthly Tuition Payment Plan

Simpson College offers a monthly payment plan for those who wish to budget tuition, housing and food plan payments in monthly installments. The Tuition Payment Plan is administered by a third-party administrator, Transact, powered by Cashnet. It provides an opportunity to make monthly payments without incurring finance charges or fees. There is a \$30 fee for each semester to set up a plan. A new plan must be set up each semester, as Simpson is on semester billing. Payments may be taken out automatically from a checking account or placed on a credit or debit card. Payments may also be set up to be completed manually from a checking account or with a credit or debit card. Processing fees are assessed when using a credit or debit card. Information on the tuition payment plan can be found here:

<https://commerce.cashnet.com/simpsonpay>.

### Textbooks

Textbooks can be purchased from our online exclusive supplier, Akademos, at [www.simpson.textbookx.com](http://www.simpson.textbookx.com). All forms of payment are accepted in store including Apple pay. Students should be prepared to pay approximately \$1,134 each year for books.
